Morning pick-up from your hotel, transfer to Kabatas harbor to board the boat, half day morning cruise of the historical sites along the Bosphorus, which connects Europe and Asia as a both physical and cultural bridge. As a strategically and naturally important water route, it is home to our destinations such as **Golden Horn** – a global symbol of Istanbul, **Kucuksu Palace** with its majestic architectural style and **Rumeli Naval Fortress** – still witnessing the evolution of the mega city after hundreds of years. It is also quite amazing to see at night, so feel free to ask us for a dinner cruise if you somehow decide to extend your stay. Upon the end of your cruise, you will disembark at the harbor and our crew will transfer you to your hotel so you can grab your luggages. Later on, we will take you to the airport for your departure flight – which concludes our services, hopefully with good memories of us and our country in your mind and a long-lasting smile on your face.
