Daily ANZAC Gallipoli Tour

Destinations :

Duration : *Daily*

Everyone knows something about Istanbul. Everyone has heard of Bosphorus, one way or the other. But not many people know about Canakkale. Marking the entrance into national waters of the mainland on the Aegean side, Canakkale province and Gallipoli was one of the most important fronts during World War I. Now, sons and daughters of many nations lay there side by side, around numerous monuments, telling about their bravery. Aside from its paradise-like nature, Gallipoli is home to the remains of World's "recent" history. And we all need our share of the stories.
