## Full Day Bosphorus Cruise and Black Sea Trip in Istanbul

**Destinations :****Duration :** *Daily*

Witnessed some of the most important events of human history over thousands of years; Bosphorus is a line between two worlds. Located right in the heart of Istanbul, it connects Europe with Asia and Middle East. Due to its strategic importance – both in military and economic terms -, countless civilizations attempted to take it, while only a “lucky few” were actually able to claim it. Bosphorus is the reason that İstanbul has been a wealthy metropol since the early years of its foundation. It has everything to show for it, and we are happy to provide you with a chance to “listen” the “Jewel of Marmara” tell you its own story.

Early in the morning, you will be picked up from your hotel by our crew and transferred to Kabatas port to board the boat. Once you have boarded, the trip along the historical and natural spots of the Bosphorus in Istanbul will begin. The boat will travel up to the Black Sea coast of Istanbul, where you will have some time to enjoy the sunshine and optionally go for a swim. Upon return and disembarking at Kabatas port, you will be transferred back to your hotel – which concludes our services. Destinations for the Full-Day Bosphorus Cruise and Black Sea Trip in Istanbul are as follows: Ortakoy, Kucuksu Palace, Rumeli Naval Fortress, Black Sea, Anadolu Kavagi and more.
