2 Days Ephesus & Pamukkale Tour

Destinations :

Duration : *2 Days - 1 Night*

A short but well-planned program for our guests with restricted time, to allow them to see the beauties of two of the most amazing destinations Turkey. Second only to Istanbul, these jewels of Western Turkey are perfectly preserved examples of Ancient Greek and Roman architecture, as well as a natural miracle called “travertines”. We put them together for your convenience, and added smooth transitions for good measure. All you have to do is show up and enjoy!

Early in the morning, you will get picked-up from the hotel in Istanbul and transferred to the airport for your 60-minute flight to Izmir. Once you have arrived, you will be transferred to the tour region for the Ephesus Ancient City tour with epic inclusions like **Temple of Hadrian**, inner parts of **Ephesus Ancient City**, **Celsus Library** with its mythically emblazoned exterior, **House of Virgin Mary** as a place of pilgrimage and **Saint John’s Basilica** – a homage to the saint by an Eastern Roman emperor and **more**. Upon ending of the tour, we will transfer you to your hotel in Kusadasi resort town via a 2,5-hour scenic ride. After check-in, you can have an enjoyable meal at one of the numerous seaside restaurants close to your hotel, to finish the day in a great way with beautiful examples of Aegean cuisine – accompanied by an unmatched view of the Greek island Samos, before your overnight stay.

Morning pick-up from the hotel, transfer to the tour region for the Pamukkale & Hierapolis Ancient City tour. Our guide will take you on a trip around a mix of natural and man-made marvels like the **travertines**, **Karahayit (Red Pamukkale)**, **ancient Greco-Roman city of Hierapolis**, **Museum of Hierapolis**, **The Byzantine Church and the Ancient Theatre**. Once the tour ends, our crew will transfer you to the airport for 60-minute flight to Istanbul. Upon your landing, our services will come to an end. Hopefully, you will cherish these two days as memorable experiences in the future.
