The most essential spots that have to be seen on a trip to Istanbul is in our 2 Days Istanbul Tour.

Day 1 Istanbul Old City Walking Tour / 2 Days Istanbul Tour Begins

Pick-up from the hotel in the morning by our professional English-speaking guide, to begin the 2 Days Istanbul Tour with the full-day Old City tour. Starting with the **magnificent Hagia Sophia museum**, the excursion will take you around breathtaking destinations such as the **Blue Mosque, Hippodrome of Constantinople, Obelisk of Theodosius, Topkapi Palace, Serpentine Column, German Fountain, Grand Bazaar and more**. Once your daily epic journey comes to an end, our guide will accompany you to your hotel. The rest of the evening will be yours to treat yourself to an authentic Turkish dinner and a good night's sleep to build up energy for your early morning departure in the following day on the overnight of our 2 Days Istanbul Tour.

Day 2 Half Day Morning Bosphorus Cruise / End of Services

Morning pick-up from your hotel, transfer to Kabatas harbor to board the boat, half day morning cruise of the historical sites along the Bosphorus, which connects Europe and Asia as a both physical and cultural bridge. As a strategically and naturally important water route, it is home to our destinations such as **Golden Horn** – a global symbol of Istanbul, **Kucuksu Palace** with its majestic architectural style and **Rumeli Naval Fortress** – still witnessing the evolution of the mega city after hundreds of years. It is also quite amazing to see at night, so feel free to ask us for a dinner cruise if you somehow decide to extend your stay. Upon the end of your cruise, you will disembark at the harbor and our crew will transfer you to your hotel – which concludes our services.
